/ HAUTEURS PRÉCONISÉES EN FONCTION DE L'ÉPAISSEUR DU PLAN VASQUE OU VASQUE /

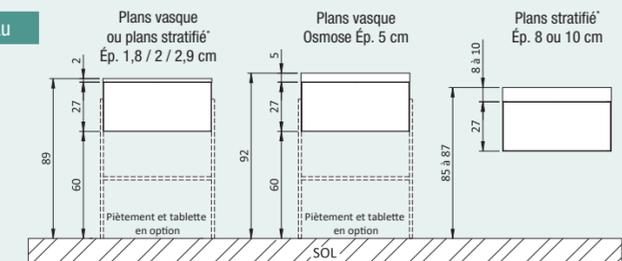

La hauteur de pose moyenne et préconisée pour un meuble bas vasque avec plan de toilette oscille entre 87 et 92 cm.

Afin d'obtenir la hauteur la plus ergonomique, voici les éléments à prendre en compte :

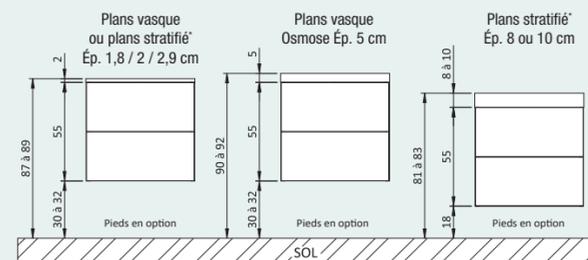

- La hauteur du meuble bas sous vasque
- Le plan de toilette : plan vasque ou plan stratifié avec vasque
- Les pieds (en option)

*Prévoir vasque à poser sur plan stratifié
